

MUTTS & BUTTS

What to bring

Vaccination/worming/fleas

Please email a copy of your vaccination in advance and also bring it with you for your first session. Dogs must be fully vaccinated and up to date with their vaccinations. They must be up to date with worming and flea treatments.

Flat Collar / Harness & Lead

The ideal length for the lead is about 5-6ft. Please don't bring your dog with a flexi lead or choke chain.

Sensible Footwear

Trainers or walking boots. We will be working on a sand/rubber arena which is mud/ice free.

Treats

Something different please! Moist chicken, liver or sausage or cheese or homemade.

No dried food or off the shelf dog treats (too salty and not very interesting!) Cut into small chunks.

Toys

Only the best ones please!

Poo Bags

This is your responsibility. A bin is provided!
